PL 2 is a versatile addition to any knife collection. The serpentine curve, along with .168 recess lends itself to being a nice base cap as well a classic panel mould when rabbited.

We service almost all industrial woodwork , and wood shaping machines. If you don't see you machine listed on our site, please give us a call anyway. We enjoy talking with our clients, on the rare occasion we can not service your machine, we're happy to point you to someone who can.
